CNA classes are free of charge and include a training manual. The State of Missouri requires 75 hours of classroom training and 45 hours of on the job clinical training, for a total of 120 hours. Classroom hours will be held at one of the Delmar Gardens facilities listed above. If you would like to begin the training, you will be asked to sign a *Nursing Assistant Trainee Program Agreement* to confirm your understanding of the requirements and expectations of the program.

Trainees are paid \$9.50 per hour. Upon passing your certification test, you will be promoted to a Certified Nurse Aide and receive a \$2.00 increase. This promotion will also gain eligibility for incentive bonuses*.

90 days after certification	\$250.00 (F/T CNA's become eligible for benefits)
6 months after certification	\$250.00
1 year after certification	<u>\$500.00</u>
Total:	\$1000.00

**Bonuses are paid to full time CNA's in good standing without any written corrective action.*

After your first year with us, we hope you take advantage of additional educational benefits offered by the Delmar Gardens Family.
